Stuck for a Mother's Day gift? How about an unusual Easter present?.....

Free jewellery....

If you'd like to get your hands on some FREE jewellery why not book a party with me? The hostess gets to choose up to 20% of the party sales as free jewellery.

Or, if you'd like to design your own jewellery why not have a Jewellery Making party?

Jewellery stalls always go down well at a fundraising event so if you've got one coming up why not let me know? I'll donate a percentage of the takings to your good cause.

Dear Davina,

Mother's Day is just around the corner and if you're stuck for what to get your mother or mother in law why not get them something unique such as a piece of jewellery specially designed for them?

Or, if you're fed up with buying calorie laden chocolate Easter eggs for your nearest and dearest why not give them an exclusive piece of jewellery that they can be sure no one else will be wearing?

I design: bracelets, pendants, earrings, mobile phone charms, bookmarks and rings.

Why not catch up with me at one of my local events or call me for a home visit? I'll be at Hitchin Town Hall on Saturday 27th February, Curves Gym in Hitchin on Monday 1st March and The Sun Hotel in Hitchin on Wednesday 3rd March. For full details and other events, please check the events page on the website for further listings of where I'll be in the area over the coming weeks. <http://www.elegance-by-design.co.uk/page11.htm>
